

Scholarship Information

This is a yearly scholarship offering:

- Up to \$700 towards tuition for a 2 year program or Diploma
- Up to \$1000 towards tuition for a 4 year program or Degree

Each year, AltaSteel offers a limited number of scholarships to provide some financial support to dependent children and spouses of current AltaSteel employees. The quality of the application will be one of the main factors in determining the scholarship amount to be awarded to each applicant. Complete applications must be received by **5pm on Friday September 4, 2020**. Applications received after the due date will not be considered. Scholarships will be awarded by early-November.

Eligibility

Dependent children and spouses of current, full time permanent AltaSteel employees may apply for an AltaSteel scholarship if they are attending a Canadian University or College program on a full time basis.

Students must maintain continuous enrollment in a full-time program of study that leads to at least a two-year Diploma (certificate programs, Master's Degree programs and PhD studies are not eligible). A change from one discipline to another will not disqualify a student as long as the student does not withdraw from the school.

Applicants may apply for a maximum of four scholarships throughout their studies.

Checklist

Please check that the following have been included as part of the application package:

- Completed application form and **minimum one full page** essay
- Copy of your course schedule for **both** fall and winter terms (Your name must be part of the document and include the details of the Canadian University or College), **OR** a letter signed by the school registrar confirming full-time enrollment. The letter from the registrar must confirm the number of courses being taken for the year (by semester) and the diploma or degree program you are enrolled in.
- Copy of tuition fee statement or receipt issued in your name

Incomplete packages will be returned and you will be asked to re-submit. Applications will not be accepted after the due date.

Send your completed application package to:
